You've spoiled me in so many ways. Besides being a very accurate and dependable student help, you've been a good friend, and it always feels good to be surrounded by those you care about. COURT JESTER

SHERYL CULP

Being Court Jester this year was a fun experience. I enjoyed working with the cheerleaders for our teams, and cheering with the crowd. I hope having a Court Jester grows to be a tradition at Arroyo, and I hope all of you have enjoyed my efforts as your Court Jester.

PEP COMMISSION

Tammy Thielen, Melissa Brey, Irma Carreon (Vice Pres.), Diana Hennessy, Jill Campbell (Pres.), Gina Carlson, Dawn Cassel, Susie Torres, Julie Ling, RaeJean Sesma, Sandy Nevares, Lori Schmidt, Dianna Primrose, Michelle McCraven, Debbie Torres. Unshown- Missy Ornelas, Tammy Lewis, Eva Mayorga, Valerie Minnott.

This year the Pep Commission was a fun and productive group. We enjoyed attending the many sporting events on campus and off. We also enjoyed supporting the band and cheerleaders and appreciated their return.

Each year the Pep Commission works together to help promote the "Arroyo Spirit". It is our opinion that we were successful in reaching our goal this year. But we would not have reached our goal without the support and understanding of our sponsor Ms. Espinosa. Thanks and we love you Espi!

GIRLS STATE

SHERRI KRAMER

Girls State was the experience of a lifetime that I will never forget. In that one week in Sacramento I learned so many things about our state government and making friends.

There is "something special" that every Girl Stater comes out of Girls State with, that something special is a love and friendship that will last forever.

Girls State gave me an appreciation of our government and I would like to thank Mr. Quinn, the faculty, and the American Legion Auxilary for giving me this fantastic experience.

Good Luck to the 1983 Girls Stater and I hope you have as good a time as I did.

Love,
Sherri Kramer.

PRESIDENT ROBB STANTON

As my term of office as President draws to a close, I look back at it with several thoughts in mind. First of all, I am very proud to have served as your A.S.B. President. It was a rewarding and sometimes difficult experience for me, but thanks to the hard work of the dedicated, it was all worth it. I also would like to thank Mr. Robbins for his help and guidance. In closing, I would only like to say, take good care of yourselves, and keep in touch with all of your friends, for they can help you in times of need.

It was both an honor and a pleasure for me to serve as your spring A.S.B. president. I'd like to thank all the commissioners who worked very hard to come up with the many creative ideas.

A word of advice to the Seniors; "Believe in yourself." The most important factor in getting ahead is knowing that you can do anything if you really want to. To the underclassmen; I encourage you to get involved in our school. Arroyo is a great place to grow up.

Reserved for Kent Garcia !!!

Well buddie,

We survived another year, what a shock huh. Listen, we've been pretty good friends if I don't say so myself. You're a real cool and outstanding guy. I can see the light of the Lord that glimmers within you. It's neat to know that there are brothers in Christ in the same school. I know we'll be friends for a long time. Just keep running and keeping walking with the Lord. Don't forget your friend here, because he cares for you and hope to keep in touch. You've been a blessing to Gerardo's 4th period and to Gerardo herself. You have very very much charisma, luck, and endurance. You're got a great P. A. Your neat and caring. I wish you the best for you and Kathy Geist. Love ya,

P. S. Call sometime 579-3149 Kent '84' rules

Mr. Ed Cushing

When Edward Cushing joined the faculty in 1959, he brought to Arroyo a background rich in practical experiences in industry, conservation and journalism. A man of many talents, Mr. Cushing developed the pictoral journalism and the television production facilities at Arroyo High School. For many years he served as English Department head and as advisor to the Banner. His knowledge, his kindliness, and his spirit of cooperation have been much appreciated by the students and the staff of the school. With retirement, Ed will now have the time to finish his remodeling projects, travel with his wife, Louise, continue to write "the great American novel", perfect his jazz technique, and, of course, to chase a few more fire engines.

Scott, What a pleasure it was getting to know you this year. You're a really special person. Stay that way always. Best of luck to you in the future.
Love, Mandy Antonio

Mr. James Cleminson

Mr. James Cleminson served Arroyo High School 28 years. He came here when the school opened in 1955. He taught various subjects in the business department, but concentrated his talents mostly in bookkeeping and typing. Sence 1969 he has served as department chairman. He devoted his life to preparing Arroyo students for jobs and careers in business. Fellow teachers speak highly of Mr. Cleminson; his department co-workers say that "he has always offered help when needed, and provided a smooth working relationship. We will remember his assistance and his friendship. More than that, we will remember his good nature, professional attitude about learning, and his skillful leadership. We will miss him."

FOREIGN EXCHANGE

LUCRETIA BRAY

Yassu,

This past summer I spent two months with the Vovgaduvdis family in Athens, Greece Greece is a beautiful, diverse country. The city of Athens was not only a thriving modern business center, but also the home of many ancient ruins that are favorite spots among tourist. I spent my summer enjoying the beautiful weather, traveling, meeting great people, and buying lots of souvenirs.

While I was in Greece, I learned to take fewer things for granted because I saw how people live outside of the United States. I wish that every teenager could have the opportunity to travel to a foreign country and realize how much this country has to offer. It was a great experience.

Efharisto,
Lucretia Bray

BRIAN CUILTY

Hi,

This past summer I lived in Lima, the capital of Peru, for two months with the Saurez family. In my family there was three boys, a girl, Mom, Dad, a maid, and her daughter.

It was a great learning experience as I had a chance to grow and to learn a lot about myself and other cultures. Meeting people from all around the world, traveling throughout Peru, and learning to adapt to a new environment made it a time never to be forgotten.

Brian Cuilty

CAPTAINS LOG

Summer is over and so is the fun
No more beaches and no more sun.
Some of us went to summer school
None of us thought that it was to cool.
The summer is gone, it went to fast
Why don't those darn summers last?
Summer has gone, and Autumn is here
We welcome the start of a great school year.
Friday was the day for school registration.
The whole place looked like a mad house station.
T.P.ing the school on that very first day
Was a prank that the senior guys did play.
Freshmen are running all over the place
Everywhere I go I see a new face.
The Blue, Black, & White assembly was quite a success
You could tell that the freshmen were impressed.
The Howdy Dance this Friday is where we'll all go
To welcome the freshmen here, to Arroyo.
Don't forget to bring to class
your pencils and paper so you can pass.
There's nothing this year that we can't get done
Arroyo's the High School that will always be #1.
The football team has won their first game
We all hope that they'll keep doing the same.
Northview Vikings is the team we play tonight
Let's show those people that we're Dynomite.
23-7 Arroyo that was the score
Next week let's see if we could raise it more.
Booster ribbons are being sold.
Only 25 cents, have you been told.
Selling those ribbons for beating those teams
the whole schools got spirit so it seems.
The Knights play Workman Lobo's tonight
I know we'll stick 'em and put up a fight.
The game against Workman was a success
I told you we'd beat them, I told you, oh yes!
"Beat the Lions" is what we say this week
For the mystery person it's 25 "Beats they seek"!
El Monte thinks that they're really cool
But they could NEVER Destroy our school.
Arroyo beat the Lions, 20-14 was the score
We booted them out of our back door.
Blue Pride is gonna win tonight
Cuz we gotta team that's outta sight.
Homecoming court was announced once more
Varsity players votes are what they're hoping for.
The tension is mounting as the boys keep it cool
This one special girl will represent our school.
This weeks ribbon says Mangle Mt. View
I know this time it will come true.
No Pep Rally on homecoming was really sad
Being scheduled during stop week is what was so bad.
The football team was kidnapped by pep
I'm sure that Steve was the one who slept.
On Friday night the answer was seen.
The Homecoming Queen is on V. Cheers
When Tammy won she had joyful tears.
Tammy was chosen queen Friday night at the game
She was happy when they read her name.
The Knights beat Mt. View 27-3
The ball is what the DUCKS did not see
The dance was great, it was really a blast
Homecoming we won, finally, at last!
Hey Ducks where are you going? Where have you been?
Arroyo Knights the school that you'll Never Win!
Keppal is going to lose tonight
When they see our guys they'll run in fright.
We beat the Aztecs, we won the game
Arroyo, you put them Aztecs to shame
The Keppal fame was scored 14-8
To win was our destiny, our unchangeable fate.
Pasturize the Panthers is what the ribbons say
I really do hope this comes true today.
Playing Rosemead was a real chore
The fight afterwards was really uncalled for.
Who? thats the question of the week
Is it a football player, thats what we seek.
Duarte is the school to beat
lets go Knights and knock 'em on their seats.
We're proud of our football team, yes we are
This year Knights you've really gone far.
For C.I.F. we're travelling North
Getting 3rd place was better than 4th.
We're going to CIF this year
come on Knights lets give 'em a cheer.
Football is over and we did OK
Were proud of Arroyo is what we say.
The Volleyball team has had a great start.
The girls on the team are really doing their part.
The Volleyball team was spiking that ball
So the Monrovia wildcats to Arroyo did fall.
At lunch time the teachers and students played a game of volleyball
The students thought they were tough, but the teachers won it all.
The x-Country teams are doing great
The other school teams must be filled with hate.
We ran down Mark Keppel, it was great
Now its Rosemead who will fall to our fate.
We all are so nervous as the race starts
As soon as the gun goes off we all depart.
When the team is running they start off fairly slow
But after they get geared just watch them go.
Running x-Country must get them tired and fatigued
But it all paid off as our #1 in MVL.
Our x-Country team are champs once more
When those guys are running they really soar.
X-Country did it again this year
I think they deserve a great big cheer.
Arroyo is awesome in Black, White, & Blue.
V. X-Country won CIF for 82
V. x-Country team is ranked #1
Boy our boys can really run.
Congrats Coach O'Rourke to your CIF Boys
The whole yearbook staff shares with your joys.
Boys X-Country to is all at Mt. Sac
So watch out next year because we will be back.
We watch the ball and place our bets
While the girls tennis team hit it over the net.
The tennis season is over, away go the rackets
And in come the players who shoot for the baskets.
Arroyos tournament, here we go
Come on V. lets start the show.
We won the game, we beat the Moors
Now we move on to better scores.
Blairs the team we gotta beat
We gotta stare them outta their seats.
Homecoming nominations were this week
Shelly, Kathy, and Rae Jean were the choices they did seek.
The game this week was against Mt. View
We turned their gold into black and blue.
Shelly Reep is our homecoming queen
When she heard her name her face was full of gleam.
Boys V. Basketball goes to CIF Friday
Good Luck you guys, put them away.
NFL players are on strike now
No football for weeks will be boring and how.
The strike is over with nine games to play
Back on the field to a football Sunday.
A Super bowl game hey give me a break
A nine game season does not a champion make.
Miami vs. Washington in superbowl 83
Washingtons the team with the superbowl ring.
The Angles this year are far in the race
I wonder if they will win first place?
The Angles are playing power Baseball
And could be the champs come next fall.
All right Angles way to go
that the way to put on a show.
The Dodgers had a chance to tie
but Forsters pitch didn't get by.
Morgan took a mighty swing
So we'll see the Dodgers next spring.
Poor Dodgers, we're sorry and blue
don't worry though, we still love you.
The Dodgers won't be champs in '83
But they will always be winners to me.
Steve Garvey no longer wear's Dodger Blue
We will all miss him on that "Wrecking Crew."
I hear Steve Yeager and Lori are through
Oh my God I can't believe it s true.
Soon Court Jester will be trying out
I hope the one that wins can really shout.
Court Jester finalists are really in
I sure hope that the best one wins.
Finalist of Court Jester, who might it be?
They better be good if you ask me.
She will be our spirit tester.
Sheryl is our new Court Jester.
Sheryl is our Court Jester now
She's done a real good job and how.
Halloween is coming, everyone's in fright
It's terrible that it falls on a Sunday night.
Halloween's coming what will I wear?
Something funny or something to scare.
The percentage of costumes was really soaring
But those who came normal were rather boaring.
It was a day of great mischief this Halloween
there were so many creatures walking around to be seen.
Did you buy a gooly gram for your friend
if you didn't you'll never hear the end.
Halloween is finally here.
The ghosts and goblins are what I fear.
Everyone is in costumes this Halloween
the strangest outfits can really be seen.
Skunks are cute, skunks are cool
The biggest skunk was the best in the school.
Lori is an extremely cute skunk
But when I smelled her, she really STUNK.
Those Halloween parties were simply great
for that night to come I couldn't wait.
The awesome costumes that everyone wore
some were made and some from the store.
The memory of Halloween never fades
If, by chance, you swallowed razor blades.
Thanksgiving vacation is coming real fast
I just hope that it will last.
Thanksgiving is coming, oh what a treat
turkey, pie, and yams I'll never get out of my seat.
Thanksgiving is a great time to celebrate
so grab that turkey and put it on your plate.
Turkey and stuffing oh it's so good
My mommy makes it like a good cook should.
2 weeks til x-mas I can hardly wait
are you over the last turkey you ate?
X-Mas vacation is ever so near
oh what a joyful time of year.
X-Mas vacation is coming real sson
I can't wait to sleep until noon.
X-Mas season is here at last
I better do all m shopping fast.
The Pageant is tomorrow night
The performance will be a big sight.
Have you been asked by that special guy.
to our winter dance with a sparkle in his eye.
The x-mas Ball no longer exists
It's a semi-formal dance because attendance was missed.
this year x-mas Ball is informal
I wonder if the people will act abnormal?
Save the bucks
Don't rent a tux.
If your going to the X-Mas ball your in luck
after all it only costs 12 bucks.
December is the X-Mas Ball
It's held at the Masonic Hall.
Kris Kingles are fun to those who are needy
But its funner to get for those who are greedy.
Secret Pals in clubs all over the school.
Getting secret gifts is totally cool.
Carnation Grams for the girls and boys
See their faces light up full of joy.
Mistle toe grams are great for kissing
send one to your honey, you don't know what your missing.
X-Mas baskets are for the needy.
Arroyo Knights are never greedy.
Merry Mery X-Mas, Ho Ho Ho

I want a present with big play and make good cheer
for X-Mas comes but once a year.
Kris Kringle gave me such a surprise
I didn't even see him sneek by my eyes.
Candy Canes are really sweet
But Xmas presents are really a treat.
Festive paper, colored lights & Presents galore
But try to remember Xmas is a spiritual time
and nothing more.
Xmas is really Jesus' B-day
So remember him this year in that special way
The New Year came with a boom and a bang
"Out with the old" we all sang.
We all had a blast on New Years Eve
We drank so much champagne its hard to belive.
The New Year is finally here
After a night of parting and cheer.
What will I resolve to do?
My resolutions will be more than a few.
UCLA's Rosebowl bound at last
Hey, USC your living in the past.
UCLA's Rosebowl hopes finally came true
Watch out Michigan we're after you.
UCLA vs. Michigan in Rosebowl 83
this is a game I want to see.
Ucla are the Rosebowl winners
The way they beat Mich. made them look
like sinners.
We're back to school and having fun
Boy wasn't it great, that va-ca-tion.
What kind of presents did you receive
I got a cold that just won't leave.
We were looking forward to that Christmas break
Now for the spring one, we're waiting to take
Boy did the rain pore down to the ground
Today not a dry person could be found.
The rain brought some gloomy days
We soon Anticipated the warm sun rays.
The weather today was cold and gray
I wish a storm would blow it away.
The snow is really falling hard
The mountains look like a chunk of lard.
The weather is so cold and wet
Next it will snow in El Monte I bet.
Wintery months often bring sickness
Sneezing, Running nose, Scratchy throat are the
senses.
It's pretty clear and sunny this day
I hope this weather will he here to stay.
Thunder and lighting is scary and frightening
But God is just moving and cleaning and sighing.
The thrift store shopping scene is really in
You buy those close and comments you will win.
Mods and Preps are all wearing plaid
they like it, but others think its sad.
Arroyo's newest color seems to be plaid
But we all know it's just a fad.
Short straight hair is in this year
Everybody is getting it cut behind the ear.
Flips is the place to buy your billy clothes
When you go out on the town it really shows.
True blue spirit is what Arroyo has got
That along with pride is what makes us hot.
To B.L. Bergstrom we say good-bye
He's gone to the big stadium in the sky.
Dead and gone is Princess Grace
But she left behind movies with her beautiful face.
"Tootsie" is the hottest movie in town
I think Dustin Hoffman is the best around.
Slave day was sunny. It went over well
We sold more slaves than we had to sell.
Carrying books and tying your shoes
When you're got a slave, you can't have the blues.
If we keep the campus looking sheek
15 mins. of at the end of the week.
VW fever has hit Arroyo High
You can see all those V Dubs passing by.
3-D movie are new on the screen
those creatures all look scary and mean.
A man in Utah is to get a new heart
It's made out of plastic and a tube part.
The I Love the Knights stickers are getting the trends
As we see them on everyones back end.
The tricycle race is on once more
On again off again Oh, what a bore.
After Monday night there will be no more
No more M*A*S*H and the Korean War.
On February 27, 1983,
There was a terrific interview with Journey on KMET.
The 2 new wave shows are MTV and MV3
They're shown on cable and TV.
MV3 is going real strong
The video T.V. is getting along.
The Fine Arts Club is going to the Ballet
Performing will be Barishnikov is what we pray.
Old Ronnie Reagan thinks he's such a success
but as unemployment goes up his popularity grows
less.
President Ronnie is getting tough
Now he's telling Republicans to shut up.
Lenny Breshnef the Russian did have
he news of his death made all the commies fell sad.
Easter vacation wasn't it fun?
I went to the beach and got me some sun.
Fair Weather spirits and fun-weather friends
We all like the sun and the rays that it sends.
Extra-Strength Tylenol is really dangerous
I wonder who could do such a thing, I'm just curious.
All at once your heart will take a big fall
If for a headache you take Extra-Strength Tylenol.
A few Choir members are going to San Jose
There's not doublt that they sing all the way.
The band is sounding better this year
or maybe it's just we can't hear.
Mr. Getze has a new beard ya know
I guess he wants to look like Riggio.
Take a look at Getze, not to be feared
He's only grown a Hemmingway beard.
Mr. White left us yesterday
We're gonna miss him we all do say.
Mr. White has gone to see
how things are working with Rob Bottin.
Mr. White is trying out a new job
with a former student named Rob.
Mrs. White is our new Shield Advisor
She's so sweet and nie we sure do like her.
Arroyo was hit by its own baby boom
The Career Centers blessing was just one of the
rooms.
Mrs. Maitland's leave for a baby is nothing
to woe over,
And our thanks to Ms. Hansen for the help,
and taking over.
A bundle of joy was delivered to
Mr. and Mrs. White.
Brandon Richard's the name of their new delight,
When Tierney and Turner and then Mrs. Dwyer
Were presented she each, with their little
boy heir.
The last of the season was P.E.'s Mckinnon
A cute little girl in pink lace and linen.
Mrs. Pusina from Guidance is now retired
A large order of happiness is all that's required.
Now then that position, couldn't be any girl Kelly
So it was assumed by our own Mrs. Caselli.
That left one vacancy we had to fill
Good luck and congratulations to you Mrs. Gill,
The lack of a nurse, caused some problems for sure
No waiting no appointments, no kidding, no cure.
A notice to sickies, with pains in your sides
No illness allowed Tuesdays, Thursdays, or Fridays.
Mr. Robbins was heard saying with a lot of
persistance,
How thankful he was for Mrs. Carlson's assistance.
The front office staff, with the rain, could not roam
Students driving them nuts with requests to "Phone
Home"
The lack of funds, hit nannys and crooks
the library is closed, what's a school without books.
In fair weather or foul, whether dry or it's soakin,
Mr. Delgado and crew will be there if its broken
Marisa fell from the mount one day
she suffered a concusion to her dismay.
Varsity cheers set out for Magic Mountain Sunday
The competition was great despite the fact it
rained all day.
40 days and 40 nights that's what Noah said,
Today its raining hard just like the bible read.
Magic Mountain was such a surprise when Varsity
went
They placed for finals and so happy they wept.
State Competition is next week,
Arroyo will try to be real sleek.
The Shield Staff is really great
A wonderful yearbook is what we create.
Your Pirate Shield yearbook isn't is great
you've got it from the Shield that's only first rate.
Shield Staff is working harder than ever
to make this year fabulous and clever.
Carolyn got a new car,
She has driven alot but hasn't gone too far.
Carolyn Renkvish works hard all the time
to meet our books requirements and deadlines.
Carolyn's new car had a boo boo
She tried to fix it but no crazy glue.
This year Mich is doing real great in track
During practice she keeps everyone far in the back.
Renee's bug got ainted, don't it look bad?
Now she's got a bug. I wish I had.
Sam Sainz creations are not incorporated yet
But it will be someday, on that you can bet.
Working on layouts is really a bummer
I wish we were back in the summer
The yearbook is almost done
The stffdidstaff did good, while we had some fun,
The yearbook is almost complete
as I sit writing odes at my seat.
I can't believe 6 weeks have past
Why dies it seem that school years do not last.
Grades are here and coming around
Shh. Out to the mailbox without a sound.
We're doing the least we can in each class
Hoping and praying that somehow we will pass.
Oh no not another 6 weeks have passed
the end of the year is coming up fast.
The semester is almost here
Mid term tests are what I fear.
The first semester is already gone
The second semester is already on.
Second semester has started today
let's get our grades up, up, and away.
Registration for next year started today
I don't want to think about it becaus it will ruin my
day.
Register, register for your next year
Before you all know it, your fourth year is here.
Not much longer, the seniors time is running out.
When you graduate you'll scream and shout.
The Prom was a night that was so grand
Everyone looked nice even the band.
The Prom in Pasadena, oh what a sight
Everyone was there on that special night.
Its coming to an end this 83 year
Graduating seniors are filled with cheer.
Good-Bye to Arroyo from the class of 83
It's time to step out and see what we will be.
Graduating, finally, thats what we've been waiting for
Now lets see whats going to be in store.
The year has run down to a very guidck end
It's the last voyage here the class of 83 will spend.
The senior class is great this year
When they say "Good-Bye" you just might see a tear.
The next class to go is the class of 83.
Then it's 84 and after that it's me.
Senior "Itis" has hit hard and fast
All of the seniors just can't make it last.
83 is the year
for all the seniors to stand up and cheer.
83 is just about done and gone
But the members of the year will always live on.
The Arroyo Grad Night Party is going to be a blast
It's something special they'll remember from the past.

HALLOWEEN FACES FROM STRANGE ISLAND PLACES

EDITORS

CAROLYN RENKVISH
EDITOR-IN-CHIEF

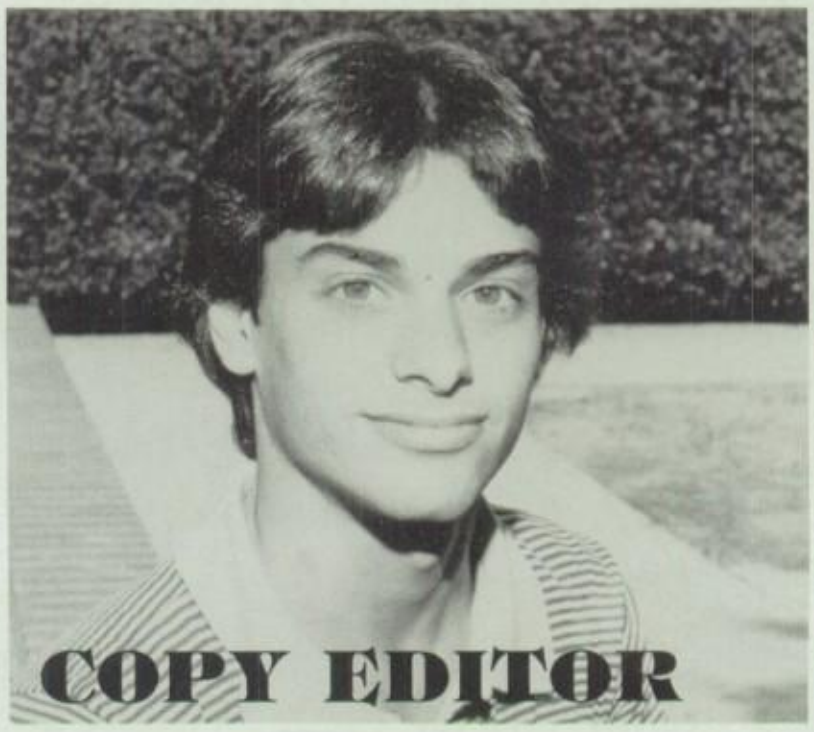
Having been of staff for three years now, I can truley say, through experience, that I have enjoyed staff to every extent. Being editor is something I've always dreamed of and it has made my senior year very special. I'd like to thank the members of the staff who have helped me through it all, and especially Mr. White, who's support has made our yearbook a success.

SAM SAINZ

LAYOUT EDITOR

I would like to thank Mr. White for all his support through my four years hear at Arroyo. I would also like to thank him for his ability to help me develop my full potential in yearbook staff.

PAUL VERLANGIERI



COPY EDITOR

Being on Shield Staff for three years has really made high-school worth while. I can only say I know it was all to my advantage. I learned responsibility, dedication, and the art of having great friends.

JOHN MOSLEY

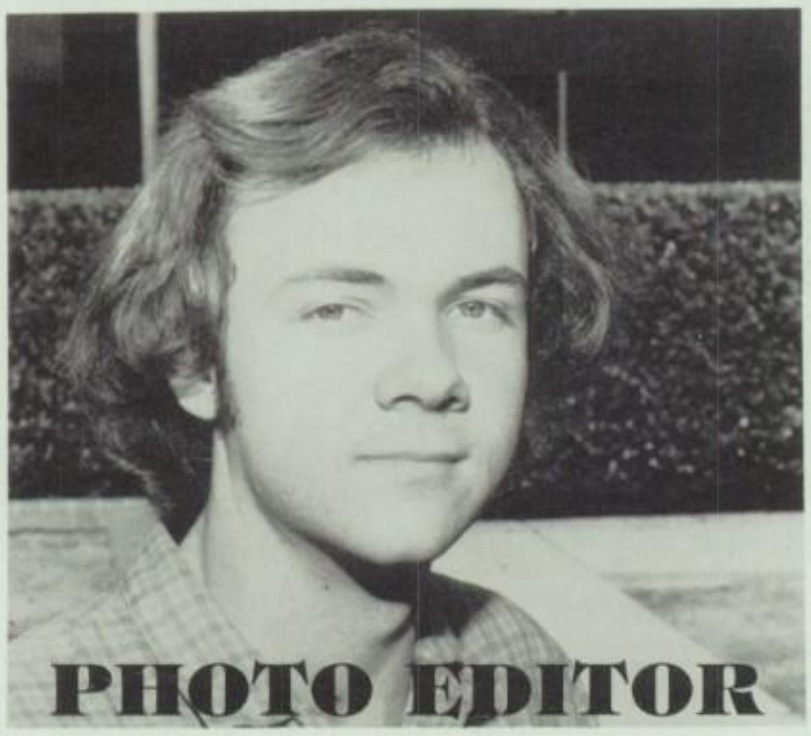


PHOTO EDITOR

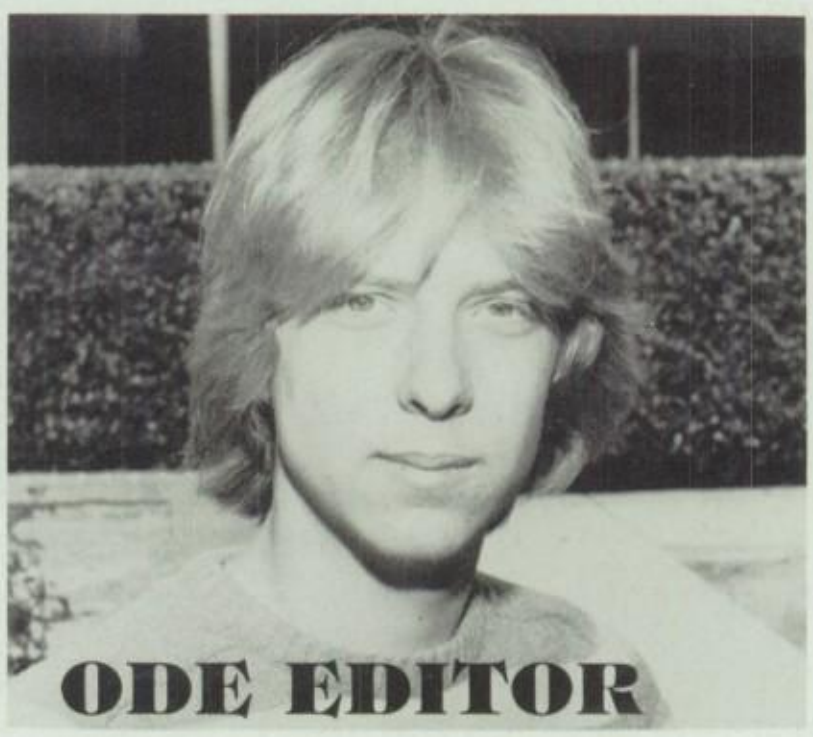
My years on staff have given me many memories that I will carry with me the rest of my life. Being Photo Editor has been as much of a challenge as it has been fun. The people in staff have much more than friends to me. we are more like a family, and it's hard for me to say good-bye.

STEVE RIDL



ODE EDITOR

Working on the Shield Staff for two years has been a total learning experience for me. Being Ode Editor has been easy to me because of the cooperation that I received from the staff. We all worked hard and spent long hours to make our 1983 Pirate Shield one of the best ever.

RETIREE

Katherine H. Trepp has chosen to retire after thirty-seven years of dedicated professional service to the El Monte Union High School District. Her numerous contributions have been overwhelming since that first day in September, 1946, when Mrs. Trepp taught her first class as a science teacher.

Mrs. Trepp was quickly promoted to a counseling position where she distinguished herself for the next twenty-five years. In 1975 Katie, as her friends affectionately call her, was advanced to an administrative assignment as Assistant Principal for Student Activities at Arroyo High School. This was the first assingment for many years of a woman to an administrative position in this school district. Five years later she became the Assistant Principal for Student Services, which returned her to the educational guidance of young people, an area that she genuinely enjoys.

Katherine H. Trepp
Assistant Principal
Student Services

Throughout her career she has remained a faithful district employee. She has constantly championed causes contributing to the welfare of students, parents, and fellow staff members. As a school administrator, she has always conducted herself as a dependable, loyal team member.

We believe Mrs. Trepp would like to be remembered as an educator dedicated to her chosen profession and deeply caring about the welfare of others. Certainly she will be remembered as a woman who would not accept anything less than full equality for all women.

Thanks, Mrs. Trepp, for your many years of service. We wish for you a beautiful, enjoyable retirement. Always remember, we love you, Katie.
